Yard Sale – June 10-11, 2017

Yard Sale for Charity was proposed by the Craft Group in the Fall of 2016 after a successful Craft Sale. The group agreed to start the project in the Spring of 2017 and to donate all proceeds from the sale to the Bereaved Families of Ontario-York Region (BFOYR), a non-profit organization that provides bereavement support by trained volunteers and staff to individuals and families grieving the death of a loved one. BFOYR is an organization that solely relies on donations and sponsorship with no government funding.

AGOAC members were invited to volunteer their time as well as donate items for this worthy cause during the months of April and May.

The response to the request was overwhelming. The Craft group spent six Wednesdays sorting and pricing all of the donated items. Over 30 volunteers contributed their precious time helping out on June 10-11, 2017.

Despite this year's mostly rain-drenched days, the weekend turned out to be hot, sunny and dry. Volunteers and customers were in high spirit. By the end of the sale, \$4,228 was raised for the Bereaved Families of Ontario-York Region. A job well done by all involved!

A Celebration and Cheque Presentation Party was held on June 28. All volunteers were invited to join the Party.

Announcement...
