

Arthritis Sufferers Wanted

Do you or your neighbor suffering arthritis pain? Don't miss the chance to understand and learn more about this disorder.

Here is a workshop covering:

- What is Arthritis?
- How to prevent Arthritis from occurring.
- Proven strategies to treat Arthritis naturally & etc.

Date: Tuesday, June 13, 2017

Time: 8:15pm – 9:15pm

Place: Activities Room 1 (AR1) in
Angus Glen Community Centre

Presenter: **DR. LORNE PAPERICK**

He has been a Chiropractor for over 20 years and has been doing similar talks for many years. Dr Papernick obtained his Master Degree in Education along with his Bachelors of Science and his Doctor of Chiropractic. He has educated people on how to keep everything in your body working well with the help of chiropractic.

All are welcome to attend at no cost

Please register online at www.agoac.ca/rsvp/?wsarthritis in order to obtain your free handout at the workshop.
